Membership Form and Ballot – March 2008

Nominees for Secretary Treasurer/President-Elect

The nominee* for the position of Secretary Treasurer/President-Elect is Lea Jenkins, below are short bios and statements from the candidate.

- **Lea Jenkins** received her Ph.D. in Mathematics in 2000 from N.C. State University. She has been an assistant professor in the Department of Mathematical Sciences since August 2002. Her research interests are numerical analysis and scientific computing, especially as applied to fluid flow problems. She is a member of SIAM, AMS, and AWM.

“I am honored to be considered for a position in SIAM-SEAS. I have been a member of SIAM for several years, and I have benefitted tremendously from my membership. I have particularly enjoyed the interactions with SIAM-SEAS members. The student participation in the regional conferences is excellent, and I would like to see it grow. Undergraduates are increasingly becoming involved in research, and the relaxed atmosphere of the conferences is an excellent place for them to present their work. I look forward to the opportunity to serve the applied mathematics community through SIAM-SEAS.”

* You may write down the name of any SIAM-SEAS member you want to nominate in the ballot

Membership Form and Ballot

Please submit dues for the 2008 calendar year by completing the membership form below and send it along with \$5 to Lili Ju (address below). These dues go toward supporting the annual SIAM-SEAS conference. Typically, these dues are used for student awards and to allow students to attend the meeting with a lower registration fee. We look forward to seeing all of you in Orlando!
